EXPERIENCE

Graphic Design Intern

The Road Agency

21 june 2024 – 31 july 2024 Lac Malären, The Dot

- Zonapros: Improved the logo with refined variations and a cohesive color palette.
- TrustOne: Designed multiple business card options aligned with the brand image.
- SynapseDX: Created a full visual identity with logo and branded mock-ups.
- MOOJUP: Designed a visually engaging flyer for marketing needs.
- LegalGem: Enhanced the logo through creative input and design refinement.

UX/UI Intern

Devsync

3 February 2025 – 30 May 2025 Tunis

- Built an affiliate-based e-commerce website featuring Amazon products, with a developed brand identity. (Mentioned in projects)

PROJECTS

Trend Grabber

ISAMM

September 2024

- Researched trends and user behavior to guide design.
- Designed a modern logo reflecting curated shopping.
- Built a consistent brand identity across visuals.
- Developed a functional Next.js prototype from Figma wireframes.
- Integrated live Amazon feeds with affiliate links.
- Designed an admin space for managing categories, users, and product selections.
- Ensured flexibility for future category growth.

Diamate

ISAMM

November 2024

- Researched challenges faced by T1D patients to inform a user-centered solution.
- Conceptualized a glucose injector device paired with an app for emergency situations.
- Designed a high-fidelity app prototype that features real-time monitoring, alerts, and device interaction.

VISION

I consider myself a person with a genuine passion for solving problems and coming up with new ideas. I enjoy tackling challenges, finding solutions and learning even more with each opportunity.
